MEMORANDUM FOR THE RECORD

Morning Meeting of 29 August 1967

25X

The Director told Abbot Smith to hold NIE 14-3 until further notice. He said that George Carver will head a team of analysts going to Saigon to discuss the "numbers" problem with MACV.

Carver noted some cables from [redacted] which indicate that the North Vietnamese might be willing to negotiate.

25X

Warner reminded that the Director is now scheduled to appear before the Eastland committee on Thursday.

Lansdale for Houston noted that the new Civil Service regulations on filing personal financial statements are in effect. Executive Director urged that all concerned familiarize themselves with these regulations.

Lauderdale for DD/S&T reported on weather conditions in Southeast Asia and on their effect upon planned reconnaissance missions.

25X

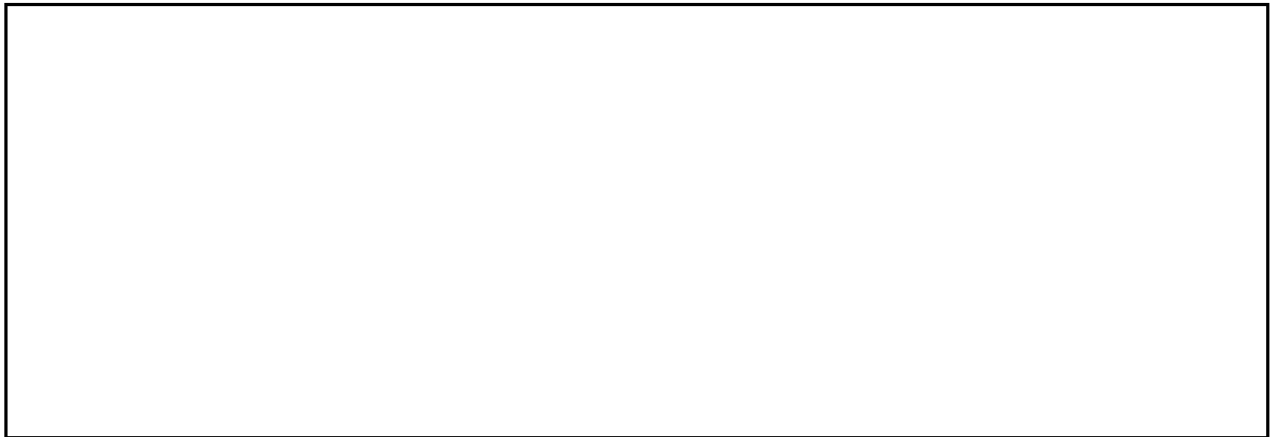

Lauderdale informed the Director that the Hyland Panel is scheduled to meet at Headquarters this week.

25X

DDCI discussed arrangements for the Hyland Panel and recommended that the Director approve the Executive Director's suggestion that a listing of certain scheduled events and visits involving distinguished non-Agency people which might require the Director's attendance should be prepared periodically for his information and approval. The Director agreed.

The Director commented on his meeting last night with a representative of Look magazine.
